Sir

I have the honour to state that the question of revision of scale of pay of the Municipal Establishment in accordance with the Government Order No L 4074-90/M1 145-24-19 dated 21/28th December 1926 was placed before the Council for consideration at the meeting held on the 5th March 1927 The annual income of the Municipality is over Rs 20 000/- and it therefore comes under Class I as defined in the Govt Order But the financial position is not quite satisfactory and it is found under the present circumstances not feasible to maintain the scale of Establishment prescribed in the Government Order under reference The Council have therefore resolved that the scale of pay noted in the margin as already passed by Council on 12-5-1926 may be given effect to from 1st July 1926 and that the benefit of the revised scale of pay should be given to the present incumbents

Clerk Rs35/- per mensem

Clerk Rs30/- per mensem

The present establishment needs strengthening by entertaining an additional hand But this is not of question under the present condition of the

ali

Municipality and the two hands now working are fully employed and the revised scale of pay now passed by the Council is not excessive

I therefore request that sanction of Government may kindly be obtained for the revision of pay as resolved by the Council provision for which has been already made in the current year's Budget (1926-27)

A copy of the resolution and proposition statements in duplicate are enclosed

I have the honour to be

Sir

Your most obedient servant
